

December 2011

Dear Ski School/Group Coordinator:

Thank you for choosing Martock for your winter sports education trip. Attached please find the School / Group Trip Information Package. All forms, waivers, codes of conduct and information you require to organize your trip are included in this package. Also included is a link to our trip video. This YouTube video should be viewed by everyone prior to participating in your trip.

All students, group members, teachers, volunteer supervisors and chaperones must complete the *Parental Permission and Release of Liability Form*. This form must be completed by the parent or guardian if the student/group member is under 19. The use of certified snow sports helmets will become law in Nova Scotia in November of 2012. All participants in your school trip, including teachers and chaperones, must wear a certified snow sport helmet while alpine skiing or snowboarding. Helmets are included with all rental packages free of charge.

New for this season we have added the *Participant Information Form*. This form provides Martock with information required to make processing your group more efficient. Please ensure that this form is faxed to 902.798.9510 at least one week prior to your visit. Also new for this season is the addition of access to freestyle terrain permission on the *Parental Permission and Release of Liability Form*. Please review this policy and ensure the *Access To Freestyle Terrain* section of the *Participant Information Form* is completed if you have students using freestyle terrain.

If you have any questions, please call 902.798.9501 ext. 1 or email admin@martock.com

Sincerely,

Heather Boylan
